

Specific Learning Outcomes Worksheets

Use this worksheet to develop your specific learning outcomes. For each objective, be sure that the result will extend your knowledge and experience. As you work on your objectives, review them with your Work-Site Supervisor.

Include in each objective: the result you intend to accomplish; how your progress will be evaluated; and which Core Learning Outcomes are directly connected.

Name: _____

Specific Learning Objective 1

Result you intend to accomplish:

How your progress will be evaluated:

Which Core Learning Outcomes are directly connected?

Specific Learning Objective 2

Result you intend to accomplish:

How your progress will be evaluated:

Which Core Learning Outcomes are directly connected?

Specific Learning Objective 3

Result you intend to accomplish:

How your progress will be evaluated:

Which Core Learning Outcomes are directly connected?

Specific Learning Objective 4

Result you intend to accomplish:

How your progress will be evaluated:

Which Core Learning Outcomes are directly connected?
